Dear Friends

Aadab!!!!!!

Welcome to the city of Nawabs and its Glorious Cultural heritage.

It is our great pleasure to invite you to National CME on "Emerging trends in optimizing success in infertility management" being organized by Ajanta Hope Society of Human Reproduction and Research (AHHR) on November 12th, 2017 at Hotel Clarks Avadh, Lucknow under the aegis of Indian Fertility Society (IFS). The event is being organized to explore new developments in the field of ART and providing a comprehensive overview for the practicing doctors and fertility specialist to keep pace with this challenging field of reproductive medicine. It is an excellent opportunity to interact with the stalwarts in the field of infertility and with peers. So friends, Lucknow awaits you with a sumptuous academic feast along with kababs and other Awadhi cuisines.
